illuminum
PENDANT LAMPS

futura medium condensed

The illuminum logotype was created by using the Futura typeface family. Optical adjustments in tracking as well as adjustments in the "i" of illuminum which makes for a cleaner, more aesthetically pleasing logo. Also, Futura was implemented for this logotype because of its geometric construction, which mimicks the illuminum product itself.

illumium has been a name synonymous with contemporary design.

Through its products, we have pioneered pieces that have a modern appeal with a retro flavor.

illumium lighting remains at the forefront of cutting edge contemporary style.

standard stainless steel.
